Hi David,

Thanks for posting. I took a crack at Danette's comments, as well as the one from Dana. Not sure my additions are fully complete but wanted to be fast in case this needs finalization before the new year.

Will

This is the latest draft of the aldicarb memo (12/23/20). I have taken the copy Mike shared and added in edits and comments from the draft on the branch SharePoint.

Most of the comments were remaining were from Danette on dietary chemistry and I added in the corrections Sarah put in on the previous draft.

Thanks,
David
